

Quick Access to Top Talent

STAFFING FIRMS give American businesses quick access to top talent. Whether the need is for one employee or hundreds, now or weeks from now, **STAFF PRO** enables companies to react quickly to changing

business dynamics by supplementing their full time work force with qualified workers.

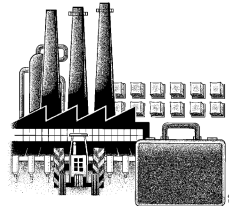

STAFF PRO finds, screens and qualifies candidates, enabling businesses to choose the best talent for both temporary and full time positions. Nearly 3 out of 4 staffing clients say staffing employees are as good as or better than their regular employees.

A Powerful Force For The Economy

STAFFING FIRMS play a key role in maintaining America's competitive edge. By improving the efficiency of matching workers to jobs, staffing firms reduce the overall unemployment rate.

STAFF PRO gives clients the labor market flexibility to meet demand and respond to opportunities. Many staffing employees take assignments as a bridge to full time jobs—and succeed.

A Diversified Work Force

WHETHER THE NEED IS extremely specialized or extremely large, **STAFF PRO** offers access to a broad pool of talented, trained workers. Staffing employees fill a wide range of assignments, including those in professional, managerial, and technical fields.

STAFF PRO provides top talent with proven industry experience and education for Career Placement. We offer employers an elevated level of expertise with one call. Contact **STAFF PRO** today for quick access to this service.
